To: All Shareholders of VanEck Vectors™ UCITS ETFs plc

Dear Shareholder

We are writing to inform you of a change to the Valuation Point and the definition of a Business Day for each sub-fund of VanEck Vectors™ UCITS ETFs plc (the “**Company**”).

The Valuation Point (i.e. the point in time by reference to which the Net Asset Value of a sub-fund is calculated) will change from “the close of trading (ordinarily 4:00 pm New York time) on the New York Stock Exchange on the relevant Dealing Day”, to “11:00 p.m. (Irish time) on the relevant Dealing Day”.

In addition, the definition of a Business Day (i.e. a day on which banks are open for business) is being changed from “a day on which markets are open for business in England (or such other day(s) as the Directors may from time to time determine and notify in advance to Shareholders)” to “every day other than a Saturday or Sunday (or such other day(s) as the Directors may from time to time determine and notify in advance to Shareholders)”.

The Directors do not believe that these changes will have a material impact on how the Company is managed.

The amendments will become effective on or around 9 October 2020 at which point the Supplements will be filed with the Central Bank of Ireland. A copy of the Supplements to the Prospectus will be available upon request and published on the VanEck website www.vaneck.com.

We thank you for your investments in the Company and we hope to continue to serve your investment needs in the years ahead.

The Directors accept responsibility for the accuracy of this notice.

Yours faithfully
