Disclosure for ETNs:

VanEck makes no representation or warranty, express or implied regarding the advisability of investing in securities or digital assets generally or in the ETNs mentioned in this information (the "ETNs") or the ability of the underlying Index to track the performance of the relevant digital assets market. The underlying Index is the exclusive property of MV Index Solutions GmbH, which has contracted with CryptoCompare Data Limited to maintain and calculate the Index. CryptoCompare Data Limited uses its best efforts to ensure that the Index is calculated correctly. Irrespective of its obligations towards the MV Index Solutions GmbH, CryptoCompare Data Limited has no obligation to point out errors in the Index to third parties. Investing is subject to risk, including the possible loss of principal up to the entire invested amount. You must read the prospectus and KID before investing. The prospectus is available at www.vaneck.com. Investments into an ETN bear the risk of loss up to the total loss.
