Information contained in this document does not constitute any legal, tax or investment advice. This document does not constitute an offer to sell or solicitation to buy any security, including shares of any investment fund promoted on www.vaneck.com and/or www.thinketfs.nl and other financial instrument, products or services sponsored by VanEck Investments Limited, Think ETF Asset Management B.V. ("Think ETF's") or other VanEck affiliates (together "VanEck").

VanEck constructs and issues the investment funds but does not give any financial advice to private investors or accept client funds. VanEck provides financial services (e.g. financial advice) only to professional clients according to the detailed definition in the Terms and Conditions on www.vaneck.com. For questions regarding investing or trading please contact your advisor, brokerage or bank. Please contact your tax adviser before making an investment. If you have technical questions regarding our investment funds, please contact us.

An investment in the promoted investment funds may only be made based on the investment fund's official sales prospectus, the relevant supplement and Key Investor Information Document ("KIID") and will be subject to the terms and conditions contained therein.

You can lose money by investing in the funds. The value of the investments may go up or down and the investor may not get back the amount invested. Past performance is not a guide to future performance and should not be the sole factor of consideration when selecting a product. Any investment in a fund should be part of an overall investment program, not a complete program. An investor should consider investment objectives, risks, charges, and expenses of the investment carefully before investing.

Investment fund investing involves risk, including possible loss of principal. Investors should consult the prospectus and KIID before subscribing to any fund. The prospectus, the key investor information documents and the financial reports can be obtained free of charge from this website and upon request from the funds' registered office and the offices of all local information agents.

The documents, except for KIIDs, are only available in English and Swiss German and for ETFs issued by Think ETF's also available in Dutch.

The sales prospectus and KIID contain this and other information. Please read the sales prospectus and KIID carefully before investing.
