Information Furnished Pursuant to Internal Revenue Code Section 6045B
Relating to Actions Affecting the Basis of Securities

Issuer's Name: VanEck Vectors Coal ETF (the "Fund")
EIN: 26-1156374
Ticker: KOL
CUSIP: 92189H888
Classification: Common Stock

Please note that the Fund liquidated on December 22, 2020.

The Fund has determined that a portion of the distributions listed below that were paid during the taxable period ended December 22, 2020, are classified as return of capital:

CUSIP	Ticker Symbol	Record Date	Ex Dividend Date	Payable Date	Total Distribution Paid Per Share	Income Dividends Per Share	Return of Capital Per Share
92189H888	KOL	12/14/2020	12/11/2020	12/16/2020	\$ 3.243200	\$ 3.041489	\$ 0.201711

A return of capital is not considered taxable income to shareholders. Pursuant to Internal Revenue Code ("IRC") Section 301(c), the portion of a distribution which is a dividend (as defined under IRC Section 316) is includable in gross income while the portion of the distribution which is not a dividend shall be applied against and reduces the adjusted basis of the stock. Accordingly, shareholders who received these distributions should not include these amounts in taxable income, but instead pursuant to IRC Sections 301(c)(2) and 1016(a)(4), should treat them as a reduction of the cost basis of the applicable shares upon which these distributions were paid. In order to compute the required adjustment to cost basis, a shareholder should multiply the per share amount of each of the respective distributions by the number of shares held at each of the respective ex-dates.

If the shareholder has not sold or otherwise disposed of any shares during the period ended December 22, 2020 the information computed by the shareholder regarding the appropriate reduction in cost basis should be maintained in the shareholder's records until such time as the shareholder sells or otherwise disposes of such shares.

If the shareholder has sold or otherwise disposed of any shares during the period ended December 22, 2020, the shareholder should increase the recognized gain or decrease the recognized loss on the respective shares sold by the per share amount of the above-listed distribution multiplied by the respective shares held at each of the ex-dates listed which have been sold.

This information is being provided pursuant to IRC Section 6045B(e), as amended. The tax information contained herein is provided for informational purposes only and should not be construed as legal or tax advice. VanEck does not provide legal or tax advice to taxpayers. This material and any tax-related statements are not intended or written to be used, and cannot be used or relied upon, by any such taxpayer for the purpose of avoiding tax penalties. Please consult an attorney or tax professional for assistance as to how this information will impact your specific tax situation.
