

Purpose

This document provides you with key information about this investment product. It is not marketing material. The information is required by law to help you understand the nature, risks, costs, potential gains and losses of this product and to help you compare it with other products.

Product

What is this Product?

Intended Retail Investor: This Product is intended for all kinds of investors who are looking for capital growth and/or optimization and have an investment horizon which is at least equal to the recommended holding period shown below. Only those investors who have the ability to make an informed decision based on sufficient knowledge and understanding of the Product and the market and the ability to bear a loss up to a total loss of their investment should consider investing in the Product. The Product does not offer a capital guarantee.

What are the risks and what could I get in return?

Performance scenarios and the assumptions made to produce them:

What happens if VanEck Asset Management B.V. is unable to pay out?

What are the costs?

How long should I hold it and can I take money out early?

How can I complain?
