ABOUT US

For 70 years, VanEck has sought to identify trends—economic, technological, political and social—that shape financial markets. We consider whether these create opportunities, perhaps even new asset classes, or present potential risks to existing portfolios. Through intelligently designed, competitively priced solutions we empower investors to gain exposure effectively.

What to watch in the markets and the global economy from CEO Jan van Eck and our investment professionals

Access High Income Potential with BIZD

The VanEck BDC Income ETF (BIZD) offers diversified exposure to business development companies, targeting high income through access to private credit markets.

CEO Jan van Eck on John van Eck's vision

"He built this firm on the idea that the world is constantly changing, and that by understanding those shifts early, you could create real opportunity for clients. That belief still guides us today."
