Part II  Organizational Action

Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action: The Yorkville High Income MLP ETF paid a non-taxable return of capital distribution on August 19, 2014 to shareholders of record as of August 15, 2014. The estimated percentage of the non-taxable return of capital distribution paid to shareholders of record as of August 15, 2014 is 100.0% of the total amount of the distribution.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis: The total non-taxable return of capital portion of the distribution paid to shareholders of record on August 19, 2014 was $0.38 per share.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates: The basis of shareholders of record on August 15, 2014 is reduced by the per share amount of $0.38 as referenced above. The rate was determined in accordance with IRC 301 & 310.
17. List the applicable Internal Revenue Code section(s) and subsectors upon which the tax treatment is based: IRC 301 & 316

18. Can any resulting loss be recognized? ▶ Not applicable to this transaction as no loss may be recognized on a return of capital distribution. The shareholders' cost basis should be adjusted to reflect the return of capital distribution which may affect the gain or loss realized by the shareholder upon disposition of his/her shares.

19. Provide any other information necessary to implement the adjustment, such as the reportable tax year ▶

The information provided herein will be provided to each shareholder on their 2014 Form 1099 DIV statement, Box 3.
